Empathy Map

Date: 05 October 2026
Team ID: UNM-293 2026-2430
Project Name: FitBuddy – AI Fitness Plan Generator using Gemini Models
Maximum Marks: 4 Marks

Create an empathy map to understand the FitBuddy customer/user from four perspectives – what they Say, Think, Do, and Feel – in relation to the problem addressed by the project. This helps the team build a customer-centric AI fitness planning solution.
